**Old Business:**

Budget was set at summer meeting (attach budget)

Goals for 2020/2021- TBD

Announcements and Upcoming Events:

### **Auction** (Peggy Schrammel)

- Letter was sent to donors stating that the spring event was cancelled and pushed to fall. Donors were told that their donation would be held and we would assume it stands unless we were contacted by the donor and told otherwise.
- Greater Giving site was updated.
- Lara Ramsey and Peggy Schrammel will create packages in software
- Need to plan how to market the new dates for the fall event
- New date for the auction is last week of October
- Auction will also include some kind of prerecorded message from students, parents, and teachers on why you 'love your school'?
- Discussion of details for the raffle will need to be continued...

**Calendar**—we are still working on collecting dates for all of the school events/activities

**Room Parent/Grade Parent**—Skye Stevens will gather info needed for these volunteers.

### **Teacher Wellness Support Program** (Sylvia Rojas Salcedo)

- idea presented to support teachers' emotional and physical health with massage, acupuncture, and yoga 5x week, before and after school and possibly during lunch.
- motion made to move forward with this new program to support teachers. Sylvia will research info needed from administration to allow the program inside the school and will research grant money available.
- PTA will support financially

### **School Supplies** (Jen Willett)

Need to be delivered to classrooms before 6pm Monday before 6th grade orientation.

### **Directory** (Jen Willett)

need to send something out to ask everyone to re-activate their directory school account

### **Membership**

Jen Willett reported that information was sent to new families to encourage PTA membership

### **Masks**

Voted unanimously to purchase masks as a back-to-school gift for the CBCS staff of 110 persons. Cost was \$8/mask.

### **Staff Appreciation** (Lauren Dimon)

- need to be creative this year with COVID restrictions, no more homemade food brought from parents. Also, participation was not good with homemade food last year.
- Back to school breakfast was cancelled.

- Ideas presented: gift certificates to local restaurants, catered meals, individually wrapped grab-n-go options.

**Meeting Adjourned at 6:58pm**
