**Jen Willett-** PTA broke even (as expected) on school supplies. Please encourage everyone to update their info (must be redone every year) in the school directory, Membership Toolkit.

**Dawn Stewart- Business Sponsorships-** Brings in approx. \$11K yr. Suggestion for her to look at the list of sponsors for Fall Fundraiser and ask them to renew and explain the exposure they will receive.

- there will be 1 form for Business Sponsorship
- Levels have been set up, detailing amount donated and exposure guaranteed.

**Sunni Hamilton- Social Media-** requested that everyone 'like' and comment on the PTA Facebook posts to gain exposure. She will coordinate with Victoria Wise about unifying the Facebook page and Facebook Group. Incorporating Instagram was also discussed.

**Sylvia Salcedo - Reflections-** Theme this year is "I matter because...". Plans to collaborate with town when they paint the street for Black Lives Matter. Deadline to turn in is in November.

**Teacher Wellness Support Program-** program is supported by PTA and CBCS admin. Sylvia will contact Rick Garcia to organize the schedule. Program will provide yoga, meditation, massage, reiki, and acupuncture to teachers and staff. Sylvia is writing a grant with Town of CB (Lauren L will edit) and hopes that PTA will cover the cost of the program in Fall 2020 and Town of CB will cover Spring 2021.
