### **Old Business:**

Stephanie Niemi (Secondary Principal) will cover cameras for the photography class. They have money in their budget.

We need to be looking for replacements for Secretary, Website, Choice Pass and Social Media PTA positions. Choice Pass and Social Media need a replacements ASAP, others need replacement by Fall 2021.

Lara Ramsey – After-Prom may apply for a Rotary Grant, but they no longer have a January application. In discussion on how Rotary can still support After-Prom. It's questionable whether or not Prom and After-Prom will happen this year. We have funds that were raised last spring that can be used this year – or whenever After-Prom happens again in the future.

National PTA Virtual Legislative Conference, March 9-11: Registration open (closes Feb 4th)

**New Business:** Spring Fundraiser??? Would love to do a simple dance party, but doesn't look like it can happen. Needs to be warmer so we could party outside. We could throw together a quick dance party featuring a DJ and adult beverages.
