This is a framework for adults who work with youth to incorporate the development of skills, opportunities, and authentic relationships into programs, practices and policies that help young people. We are currently offering mini trainings on positive youth development and encourage all people that work with youth to attend one of our trainings. Examples of who should attend are youth-serving professionals, coaches, teachers, employers of youth and parents. These are offered via Zoom on February 22 at 6:30 to 7:30pm and February 24 from 12:30 to 1:30pm. Free lunch and dinner are provided and if you are interested or know of others that would be interested in attending you can RSVP at EMirza@gunnisoncounty.org Please feel free to reach out and contact Ali if you have any questions or any ideas that you would like me to bring to Choice Pass. 303-330-8348 or alijeppe@yahoo.com
