

# Fall Festival

# THANKS

*The PTA would like to thank YOU for purchasing a meal package and showing Love for your School!*

We also thank the many generous local businesses who contributed donations of products, "deals," and cash sponsorships and the volunteers who have made this fundraiser possible.

Collectively, we have raised over \$30,000 throughout the Fall Festival, a significant portion of our total annual goal. All contributions directly benefit our students and their inspiring teachers & the staff of the Crested Butte Community School. To learn more about where your funding goes, we encourage you to attend a PTA meeting or visit [www.crestedbuttepta.org](http://www.crestedbuttepta.org).
