

Update Your PTA Directory (please 🙏)

Do you remember having a school phone directory when you were a kid? Were you lucky enough to have your own second line for your friends to call? Ah, the good ole days, when our parents didn't have to coordinate all of our playdates. Of course, with phone numbers stored in each other's cell phones now, printed directories have become a thing of the past.

BUT, what if you're new or you're still meeting a bunch of kids and families at the school? What if you met someone at the park and then couldn't remember their kids' names? What if you want someone's actual mailing address so you can send a birthday invite or holiday card? What if you want to search contacts by grade or classroom?

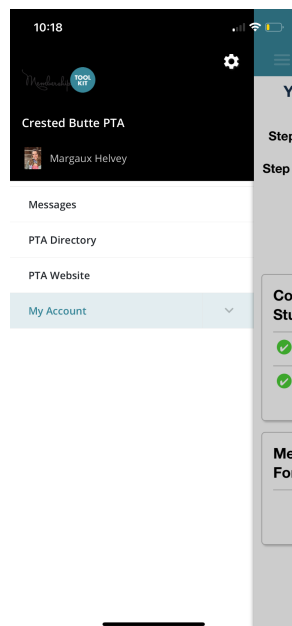

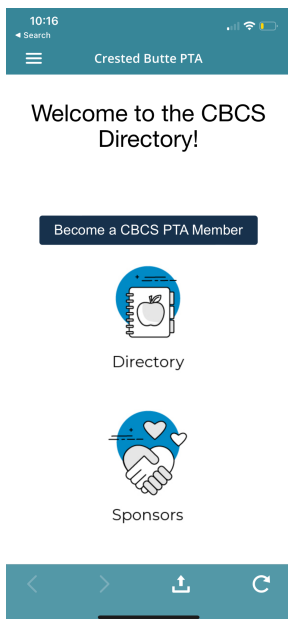

Guess what.... **"There's an app for that!"** It's free and it's yours. We give you.....

Membership Toolkit

(*insert glorious music here*)

1. To download, go to the App Store on your IOS or Android, search "**Membership Toolkit.**"
2. Login using your PTA Membership login.
3. In the Menu Bar, look for **My Account** to update your information. (You decide what gets shared in the directory, the rest is for the PTA admin only.)
4. Then, in the Menu Bar, go to the **PTA Directory** whenever you need to look up a contact.

Pro Tip: You can also do this online. Just login to Membership Toolkit, an icon in the upper right corner of the PTA website: crestedbuttepta.org

The PTA leadership team provides this directory FREE to everyone, as our service to helping connect families to each other and to their classmates. We think it's important to our mission of fostering connection and inclusiveness. So update your info TODAY! Please don't wait for Jen Willett to track you down.... 😊 But if you need help, you can contact her at Membership@crestedbuttepta.org.
